Dear Sir and Ma'am,

Sub.: Disclosure under Regulation 30 read with Schedule III of the SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015 – Inauguration and Foundation Stone Laying of Strategic Projects in Aerospace and Defence Manufacturing

Pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we wish to inform you that PTC Industries Limited, through its wholly owned subsidiary Aerolloy Technologies Limited, has initiated a significant expansion of its advanced materials and aerospace manufacturing capabilities.

We are pleased to announce the inauguration of India's first Strategic Materials Technology Complex, located in the Lucknow node of the Uttar Pradesh Defence Industrial Corridor. The Titanium and Superalloys Materials Plant was inaugurated by the Hon'ble Defence Minister, Shri Rajnath Singh Ji and the Hon'ble Chief Minister of Uttar Pradesh, Yogi Adityanath Ji on Sunday, May 11, 2025.

Further, the foundation stone was laid for several strategic manufacturing and R&D projects, including:

- Aerospace Precision Castings Plant
- Aerospace Forge Shop and Mill Products Plant
- Aerospace Precision Machining Shop
- Strategic Powder Metallurgy Facility
- STRIDE Academy Skill and Excellence Training Centre
- Research & Development Centre

In addition, the Company has **formally inducted its strategic acquisition of Trac Precision Solutions, UK** into the PTC Group, significantly strengthening its global presence and capability in precision aerospace components.

These developments are a major step towards enhancing India's self-reliance in critical defence and aerospace technologies, establishing an end-to-end domestic supply chain for high-performance materials and components. They also contribute to regional employment generation, skill development, and long-term national strategic capacity.

We request you to take the above information on record.

Thanking you,

Yours sincerely,
For PTC Industries Limited
